Subject: European Ombudsman Complaint 789/2016/EIS - Formal assurance regarding the transmission of the requested document to the complainant

Dear colleagues,

Referring to the above-mentioned complaint and following the procedure initiated by the European Ombudsman on this case, allow me – in my capacity as contact point for European Ombudsman Issues in the European External Action Service – to hereby formally confirm that the EEAS will immediately transmit the requested document to the complainant once it will have been adopted by the Commission, which is expected before the end of September 2016.

We would be grateful if you could inform the complainant about this.

With best regards

Rafael Daerr
